

Work *experience* placement

Real experience with young people with SEND — not just shadowing. Count toward your placement hours. Build your CV. Leave with a strong reference.

Placement hours counted

Brunel University

Uxbridge College

Harrow College

Bucks New Uni

WHAT YOU'LL ACTUALLY DO

Support real young people

Work directly in sessions — facilitating activities, building rapport, practising your skills with 13–18 year olds with SEND.

Apply theory to practice

See trauma-aware and therapeutic approaches in action. Use your lecture-room knowledge in real, live situations.

Get a strong reference

Named supervisor throughout. Written reference letter on completion — from an approved short breaks provider.

Log and reflect

We'll support your reflective practice log and placement portfolio — we know exactly what your tutor needs.

THIS PLACEMENT SUITS YOU IF YOU STUDY

You don't need prior experience with SEND — you need curiosity, warmth, and a desire to make a real difference. We provide full induction and you'll be supported by experienced staff throughout.

Social Work

Psychology

Health & Social Care

Education / PGCE

Youth Work

Sport & Leisure

Occupational Therapy

Nursing

Early Years

WHAT WE OFFER YOU

01

Placement hours

Fully counted toward your course requirement
